Welcome to New College!

We’re sharing this list as a guide for packing as you get ready to start your exciting year with us.

The residence common areas are mask-friendly spaces and both residents and their guests are invited to wear a mask/face covering for the duration of the move. Carts will be available to borrow and student leaders will be on site to help residents move in.

If you have a question about move-in, please email us at new.residence@utoronto.ca.
