

2024-2025 NEW COLLEGE RESIDENCE MOVE-IN CHECKLIST

WHAT ITEMS CAN I BRING TO RESIDENCE?

This list is meant to help you get started with packing for the exciting year ahead!

During Move-In Day, carts will be available to borrow and student leaders and staff will be on site to help residents move in. Please label your luggage and boxes with your name, room number, and phone number. This helps us ensure that belongings are moved to the correct room. Where possible, use medium-sized boxes and duffle bags, as they are easier to carry and stack on carts.

If you have a question about move-in, email us at new.residence@utoronto.ca.
