The New College Student Centre opened in September 2009, as a result of funding from New College constituents. It is a vibrant student space that provides great opportunities for our student organizations to serve the communities they represent and to collaborate with each other. Organizations who are members of the Student Centre are meant to connect and build community for New College students.

- 3.4 New College students, through levies, provided funding for the development of the Student Centre.

4. Activities of Student Centre Organizations

SCOs are expected to follow the articles of the *Occupancy Agreement* they sign with the Office of Residence and Student Life on behalf of New College at the beginning of each cycle, especially as noted in Section 4 of the *Occupancy Agreement*, "Maintenance of Good Standing".

5. Application for Student Centre Space

5.1 Development

In an effort to bring student feedback into the process for applying for Student Centre office space, the following actions were taken in advance of the 2020–21 selection cycle.

November 28, 2019	SCOs notified that consultation will be happening at the January Student Centre meeting

January 22, 2020 – February 20, 2020	Online consult form available for those not currently in the Student Centre. Posted on social media and distributed through newsletters
February 21, 2020	NEWSS reviewed feedback from the Student Centre consult and adjusted application accordingly
April 17, 2020	NEWSS ratifies application and evaluation process for 2020–21 cycle

The questions that were asked in the in-person and online consult were as follows:

- How do you define meaningful contribution to the New College community?
- In your opinion, what are the benefits of being part of the Student Centre?
- Why do you want to be involved in student organizations?
- What skills/competencies/knowledge do you hope to obtain from your involvement?
- In your opinion, what would be the most fair and reasonable process to ensure organizations in the space are contributing to the New College community?

5.3 Selection Committee

The Selection Committee that determines Student Centre space allocation is a subset of NEWSS and is made up of the following members:

- 3 NCSC elected members, including NCSC President and VP Student Life (or designates)
- 2 representatives from NEWSS; ORSL members excluded
- 1 work study student, appointed by the ADSLL (non-voting, clerk)
- Student Life Programs Coordinator (non-voting, Selection Committee chair)

5.4 Appeals Committee

If an organization that is reapplying for space in the Student Centre is dissatisfied with the outcomes of their application, they are able to appeal the decision. **Only organizations who have held space in the prior academic year may submit an appeal. Organizations that have not held space in the Student Centre cannot apply for an appeal.** The process would follow these steps:

1. Request copies of the evaluation materials used by the Selection Committee to review the application of the SCO in question
2. The appealing SCO will submit their appeal in writing to the ADSLL via new.studentlife@utoronto.ca. The appeal should outline:
 - a. Which aspects of their application they would like re-evaluated
 - b. Explanations as to why the initial evaluation is not accurate
3. The ADSLL will convene the Appeals Committee and review all appeals
4. The ADSLL will communicate outcomes of the Appeals Committee to the SLPC (Selection Committee chair) and appealing organizations
5. If appealing organizations wish to discuss their application following the appeals process, they can arrange an appointment with the Dean of Students by emailing new.studentlife@utoronto.ca.

The Appeals Committee that reviews requests from unsuccessful returning applicants is a subset of NEWSS. Members of the Appeals Committee cannot have participated in the Selection Committee for the same selection cycle. The committee is made up of the following members:

- 2 NCSC elected members
- 1 representative from NEWSS (excluding ORSL members)
- 1 work study student, appointed by the ADSLL (non-voting, clerk)
- ADSLL (non-voting, chair)
